Step 1:

Use the URL (link) we provided you and place it on your website. If you don't have a website, skip to step 2.

(*Hint:* Usually somewhere in the top menu is the best place to put it in)

Step 2:

Place the same URL in your Google My Business profile. You can see the steps on how to create a Google My Business Listing below.

- **2.1** | Log into the Google Account you want associated with your business (or create a Google Account if you don't already have one).
- **2.2** Go to google.com/business and select "Manage Now" in the top right-hand corner.
- 2.3 Enter your business name.
- 2.4 Enter your business address.
- 2.5 Choose your business category.
- 2.6 Add your business phone number and your website (The URL we provided you with).
- 2.7 Choose a verification option. If you're not ready to verify your business yet, click "Try a different method" -> "Later."

Step 3:

Place the same URL in your Instagram business profile. You can see the steps on how to place a link on your Instagram business profile below.

- 3.1 On your Instagram account, go to your profile.
- 3.2 Once you are in your profile, click the edit button.
- 3.3 Now where it says "website" next to it, add the URL we provided you with or your own website if you will add our link on your website.
- 3.4 Click "Done" in the upper-right hand corner of the screen when you're finished.
